

Adventure Game (By Jai Davis and Isabella Ruiz)

So for our game the key components

- Speed up inside castle
- Take to merchant to get rope to break into castle.
- Steal the Crown
- Avoid the guards
- Possibly Murder the Rat King

Rough Backstory

In a world where cats are the size of mice and mice are the size of cat. One cat will stand alone as he attempts to steal the grand crown of the Rat King. While doing this he is also wandered into some cat nip so as soon as it kicks in when he enters the castle and gains super kitten power to go super fast or it may just mess you up and cause you to get sloppy and run into a guard.
